NOTE ON 69-71 DOOR PANELS

Standard "Skins" and Pre-Assembled 1967-1971. Each pickup truck door panel is available either as a Vinyl "Skin" which can be used with the original metal door panel or as a pre-assembled door panel (PAD). The "Skins" are dielectrically heat sealed (with Padding) to a Board which can be glued to the Original Metal Backing Plate. The PAD's have strong ABS Plastic Vac-Formed backing plates, and they are completely ready for Installation. You will love the PAD's because almost all the work is eliminated for you. To order PAD's, just add a "P" to the Part Number. Prices on PAD's are:
